

AR LS

WIDE SPAN SHELVING

AR LS is a hand-loaded or order-picking racking system, a suitable solution for manually storing of small to medium sized non-palletized goods.

AR LS range of accessories and configurations allow the system to be customized to any type of goods

and customer requirements.

AR LS is a selective system, enabling immediate access to all and any stored goods

Although it is a manually loaded system, AR LS allows to be handled using mechanical equipment (S/R

cranes or order-picking trucks). Also walkways located inside the racking system allows easy access to the upper levels.
